Appointment Cancellations

To assist the patient in keeping appointments, our staff makes appointment reminder calls to each patient on the day prior to the appointment.

To assure that patients have access to care when needed by maximizing the utilization of available appointments, failure to cancel an appointment without 24-hour advance notice is considered a No Show.

Patients who have three (3) No Show cancellations without the appropriate 24-hour advance notice will be reviewed by the CMO and may be dismissed from the center. A letter of dismissal will be sent certified mail to the patient and a copy maintained in the patient's chart.
